

THERAPY

SERVICE NAME	PRICE, USD
--------------	------------

General services and diagnostics

Exam	free
Aesthetic computer modeling	142
Isolation of Kofferdam, OpalDam, OpraGate	7
Anesthesia	6
Application anesthesia	3
Computer-aided anesthesia	15
Dental X-ray	4
X-Ray panoramic	13
Magnifying optics aided treatment	13
3D-diagnostics (CT): upper and lower jaws, O 100 x 90 mm	31
3D-diagnostics (CT): single jaw, O 100 x 55 mm	26
3D-diagnostics (CT): segment, O 50 x 55 mm	14
Advanced consultation, dental X-ray examination, X-ray, OPTG, treatment planning, consultation.	26
Telerentgenography (TRG)	14
Nitrous oxide inhalation sedation	48
Computer occlusion diagnostics, T-Scan	90

Treatment of pathology of hard dental tissues

Removal of an old filling	4
Temporary filling	5

Isolation strip	8
Restoration work reline, non-warranty repair	17
Dental incrustation	16
Bonded bridge, 1 missing tooth	105
Fiberglass dental post mounting	22
Fiberglass dental post mounting, LuxaCore	43
Dental Ambulance	14

**Filling from the chemical curing material, capsular material,
fluoropolymer, IV generation**

Filling, primary tooth decay	24
Filling, median caries	26
Filling, deep caries	27
Filling after the root canal treatment, without guarantee	29

**Filling from the fluoropolymer material,
V generation and above, with a set**

Restoration with the Change of tooth color	57
Filling, primary tooth decay	29
Filling, median caries	37
Filling, deep caries	44
Filling after the root canal treatment, without guarantee	47
Aesthetic dental restoration, 1 tooth	122

Teeth whitening, with a kit

Intradental, 1 visit	9
Extradental, home whitening, therapy with the use of the occlusal splint, up to 7 syringes	165
Bleaching with XtraBoost system, 1 visit, 1 jaw	99
Teeth enamel remineralization after whitening, 1 visit	48
Laser bleaching	247
Hyperesthesia treatment, 1 tooth, desensitizer	4
Professional teeth whitening with lapm, incl. teeth cleaning, 2 jaws	168

PERIODONTOLOGY

SERVICE NAME	PRICE, USD
--------------	------------

SERVICE NAME	PRICE, USD
--------------	------------

Molding procedures

Ypeen impression	4
C-silicone impression	15
A-silicone-impression	20
IMPREGUM impression	22

Removable plastic dentures

Removable plastic denture, category I	165
Removable thermoplastic denture, category I	226
Removable customize denture, category I	259
Removable denture with customize garniture, category I	301
Removable plastic denture, category II	330
Removable thermoplastic denture, category II	412
Removable thermoplastic denture, category III	635
Biofunctional removable denture, BPS with the face articulator, category II	1 113
Immediate insertion denture, up to 3 teeth, category I	118
Superstructure on implant for full adentium	1 270

Bugel dentures

Removable partial denture with clasps, category I	231
Snap attachment denture system, 2 locks, category I	306
Removable partial denture with clasps with the customized denture, category I	353

Snap attachment denture system with the customized denture, category I	400
Removable partial denture with clasps, category II	494
Snap attachment denture system, 2 locks, category II	588
Removable partial denture with clasps, category III	706
Snap attachment denture system, 2 locks, category III	847
Extra lock, clasp, denture	52

Additional orthopedics services

Crown removal	9
Diagnostic cast fabrication	21
Custom tray fabrication	29
Custom tray fabrication, category III	47
Wax occlusion rim fabrication, category I	19
Removable denture reline	36
Wax set-up WAXUP, 1 unit	24
Wax set-up WAXUP + Mock up, 1 unit, category II-III	44
Wax set-up WAXUP, 1 unit, category IV	62
Stiff occlusal guard fabrication in bruxismus, 1 jaw	36
Occlusal guard fabrication, relieving, stabilizing, bruxismus, category II	174
Fixing by capsular cement	27
Diagnostic cast fabrication with articulator, 1 jaw	39
Wax occlusion rim fabrication, category II	36
Wax occlusion rim fabrication, category III	52
Removable dentures reline, laboratory	52
Wax set-up WAXUP, 1 unit, category I	34

Cementing a crown

Temporary cement	4
Standing cement	6
Fixing by adhesive protocol (veneers, inlay, crowns)	8

Recementing a crown

Temporary, clinical crown	19
Temporary secondary plastic crown Cad-Cam	50
Temporary porcelain fused metal crown	50
Temporary, laboratory crown	28

Inlay cores (impression and recementing)

Fiberglass inlay core (LuxaCore)	54
Inlay core	50
Ceramic coated inlay core	59
Zirconium oxide inlay core	193
Ceramic coated crown inlay core	142

Metal crowns (impression and recementing)

Complete cast crown	38
Complete cast crown for bugel denture, category II	91
Complete cast crown for bugel denture, category III	104

Porcelain fused metal crowns

Ceramic coated crown, category I	99
----------------------------------	----

Ceramic coated crown with a shoulder margin, category I	104
Ceramic coated crown, category II	153
Ceramic coated crown with a shoulder margin, category II	207
Laser-sintered cast ceramic coated crown, category III	330

MC implant

Ceramics (ceramic crown) for implant cement retention, category I	113
Ceramics (ceramic crown) for implant screw retention, category I, without the screw cost	127
Ceramics (ceramic crown) for implant cement, category II	153
Ceramics (ceramic crown) for implant, screw, category II	174
Ceramics (ceramic crown) for implant, category III	266
Ceramics (ceramic crown) for implant with milled subframe, category III	424

Ceramic restorations: zirconium, press, Emahb veneer, CAD

Ceramic restoration, category I	215
Ceramic restoration, category II	264
Ceramic restoration, category III	377
Aesthetic ceramic restoration	682
Ceramic restoration with ceramic coating	471
Ceramic coated restoration	316

Implant ceramic restoration

Implant ceramic restoration, category II	353
Implant ceramic restoration, category III	706

Composite inlay, category I	99
Maryland bridgework	407

SURGERY

SERVICE NAME	PRICE, USD
--------------	------------

Tooth removal

Single rooted tooth	16
Multi-rooted tooth	31
Atypical removal of a tooth	41
Removal of an impacted tooth or a wisdom tooth	57
Ultrasonic removal	71

Oral mucosa surgery

Excision of a tooth hood or mucosa, lancing of abscess	16
Suture of the wound	19
Fine tissue, frenulum sculpting	42
Flap surgery of the periodont tissue, fine tissue sculpting without bone graft material, more than 3	74
Guided bone regeneration, 1 sextant without bone graft material	165
Bone expletive substance, membrane application	70
Elevation of the sinus floor (sinus lift), lateral window technique	405
Elevation of the sinus floor during implantation (closed sinus floor elevation)	313
Surgical guide up to 3 implants (without including the cost of doctor's and lab technician's work)*	278
Surgical guide 4 implants and more (without including the cost of doctor's and lab technician's work)	347
Collapan, osteoplast, HA, dose	38

Hemostatic sponge 1 serving	21
Fixing membrane pins	39

Laser treatment

Laser treatment of chronic labial fissure, herpes, aphtha, stomatitis, mucositis and peri-implantation)	22
Laser treatment of periodontal pockets and periodontal membrane margin, 1 tooth, plastic surgery	22
Laser treatment of periodontal pockets, 1 jaw	37
Fine tissue, frenulum sculpting, laser gingivotomy	53
Surgical laser parodontitis treatment	118
Laser aided implantation	52

Osteoconductive and osseoinductive agents

Bio-oss (0,5)	146
Bio-Guide 25x25, resorbable membrane	223
Bio-Guide 30x40, resorbable membrane	347
Paradontcol, resorbable membrane	50
Osteoconductive and osseoinductive agents, category I	107
Osteoconductive and osseoinductive agents, category II	167
Osteoconductive and osseoinductive agents, category III	250
Resorbable membrane, category I	60
Resorbable membrane, category II	92
Resorbable membrane, category III	177
Titanium mesh	165
Non-resorbable membrane	247

Emdogain regeneration Gel, 5 x 0,15 ml	444
Emdogain regeneration Gel, 5 x 0,3 ml	205
Emdogain regeneration Gel, 5 x 0,7 ml	266
Emdogain regeneration Gel, 5 x 0,6 ml	49

DENTAL IMPLANTATION

SERVICE NAME	PRICE, USD
--------------	------------

Dental implantation

Placement of the orthodontic mini-implant	165
---	-----

Two-stage implantation (Straumann, Switzerland)

Placement of implants, Straumann	1 015
----------------------------------	-------

Placement of Straumann healing abutment, temporary abutment	195
---	-----

Placement of standard Straumann abutment	559
--	-----

Placement of customized Straumann abutment	842
--	-----

Special offer: implant for 541 USD*

Placement of implants and healing abutment	319
--	-----

Placement of abutment	111

Placement of implants, MegaGen	445
--------------------------------	-----

Placement of MegaGen healing abutment, temporary abutment	134
---	-----

Placement of standard MegaGen abutment	192
--	-----

Placement of customized MegaGen abutment	474
--	-----

Two-stage implantation (MIS, Israel)

Placement of MIS implants	459
Placement of MIS healing abutment, temporary abutment	97
Placement of MIS abutment	233
Placement of customized MIS abutment	515

Two-stage implantation (MegaGen AnyRidge)

Placement of implants, MegaGen AnyRidge	623
Placement of MegaGen AnyRidge healing abutment, temporary abutment	193
Placement of standard MegaGen AnyRidge abutment	289
Placement of customized MegaGen AnyRidge abutment	467

Two-stage implantation (TEKKA, France)

Placement of implants, TEKKA	722
Placement of TEKKA healing abutment, temporary abutment	59
Placement of standard TEKKA abutment	220
Placement of customized TEKKA abutment	503

Two-stage implantation (MIS V3, Israel)

Placement of implants, MIS V3	776
Placement of MIS V3 healing abutment, temporary abutment	142
Placement of MIS V3 abutment	259
Placement of customized MIS V3 abutment	541

Two-stage implantation (Bicon, USA)

Placement of implants, Bicon	866
------------------------------	-----

Placement of Bicon healing abutment, temporary abutment	209
Placement of Bicon abutment	485
Placement of customized Bicon abutment	767

Two-stage implantation (Ankylos, Germany)

Placement of implants, Ankylos	866
Placement of Ankylos healing abutment, temporary abutment	209
Placement of Ankylos abutment	486
Placement of customized Ankylos abutment	768

PEDIATRIC DENTISTRY

SERVICE NAME	PRICE, USD
--------------	------------

Milk teeth treatment

Psychological preparation of a patient	9
Professional cleaning, 1 jaw, Lesson of oral hygiene	8

Filling of chemical curing glass-ionomer cement
